Corporate ID Details

All logos are designed for use in a variety of media, featuring custom design and original artwork. You may receive up to 3 logo concepts and up to 25 revisions.*

“Create Your Mark” \$989.00

- Conceptual Design
- Slogan/Tag Line Creation
- Color Scheme Development
- Logo Design and Creation
- Create Logo Versions (black/white, color including spot, cmyk, and rgb)
- File Creation of Various Formats (gif, jpg, tif, eps, etc.)
- A one page logo specifications document will be provided that includes color pallet and typography.
We can also provide an extensive logo style and usage guide. Ask us for pricing.
- Pricing listed applies to any style logo including wordmark, lettermark, symbol or graphic

Note: All files will be packaged and delivered electronically via Dropbox or another online file transfer delivery system.

**Definition of logo concepts in this context is: producing a completely new set of artwork and/or changing style of logo completely. A slight modification in artwork (i.e. font style, colors, positioning components) does not constitute a “new version” of logo, but a revision. 3 concepts will be provided as necessary. Files will be supplied via e-mail or by disk. All logos become your property.*

“K-tizo is incredibly professional and an absolute pleasure to work with. Their focus on customer service coupled with brilliant designs and understanding of branding resulted in a first class website for which we have received countless positive comments. I highly recommend them.”

- Corey Keith, President, AVNet
